

Hello,

My name is Cameron Jenkins and I am 23 years old. I am from South Jordan, Utah, about fifteen miles south of Salt Lake City and have lived here my entire life. I was married on the twelfth day of May in 2006, to Kirstin Jenkins. I currently have no children and but plan to someday. I am a civil engineering student at BYU and will be graduating with my bachelors in 2008. I will then start a master's program at BYU the following semester in Civil Engineering. I love to play all types of sports mainly basketball, soccer, and football. I am a big Denver Broncos fan, and have gone to one of their games in Denver. I love all types of food and enjoy cooking with my wife when I have time. I have worked with WMS for a couple years doing tech support for the software with EMS-I and now Aquaveo.
