

# Memorandum

To: Dr. Jim Nelson

From: GW1 Team

Date: 3/10/2011

---

## **Week 10: Mar 7- Mar 11**

- Started preparing our model for SEAWAT
- Outlined what information we wanted to teach Xiomara on GMS and Archydro in GIS
- Started working on tutorial for GMS

## **To Do:**

- Run our model in SEAWAT
- Create tutorial on how to organize information and use Archydro
- Create a tutorial on how to create models in GMS, limitations of models, and what information would make the models more effective
